CANDIDATE'S COMMENTS

I am an enrolled member of the Muscogee (Creek) Indian Nation of Florida, Enrollment #89077A. I am the last generation in my immediate family to be added to the rolls of this State Recognized Tribe. My ancestor is William Red Eagle Weatherford, who was Leader of the Creek Indian Confederacy as part of the "Five Civilized Tribes," and is listed at the Museum of the Cherokee Indian in Cherokee, NC. I deeply want to obtain a quality college education. Thank you for this opportunity.
